A smile is something that is priceless and can free the soul of worry and bitterness. It's free, give one away today.

HOLIDAY CHEER

Our annual visit from Santa Claus was a great success! We had lots of kids that came to tell the jolly visitor what they wanted for Christmas. Generous residents donated toys as an incentive to join in the holiday spirit.

George Cleary, the Constable of Precinct 4, delivered the donated toys to "Family Time's The Door Shelter." The Observer, a local newspaper, covered a story about this toy drive.

This traditional neighborhood event was a special treat for the children. As part of the festivities, the kids received treats, cookies, and even picked an ornament from the tree to take home. Many thanks to all parents that brought in the toys for such a

great cause!

The fun wasn't over yet, the very next morning, Santa made his way through the streets on a large fire truck. As anxious spectators gathered on every corner, Santa tossed all sorts of goodies for everyone to enjoy!

It was quite pleasant to drive through the streets of our neighborhood and see such a

spectacular variety of lights.

This type of display can truly bring anyone into the Christmas spirit. Many thanks to all residents that took the time to decorate their yards for all to see. The winners of the annual contest are as follows:

- * 1st Place - \$100 – 6948 Fox Mesa
- * 2nd Place - \$75 - 7019 Fox Knoll
- * 3rd Place - \$50 - 7102 Foxway

Congratulations for doing such a wonderful job on your holiday lights. Let's make sure those lights are securely stored until the next round and good luck to you all!

EASTER EGG HUNT

It's that time of year again, the Easter Bunny is making his way to Foxwood with lots of eggs for the good children to find. Our annual Easter egg hunt happens on Saturday, March 23 at 9:00 a.m. in the Foxwood Toddler Park.

We will have three separate Easter egg hunts, with the following age groups:

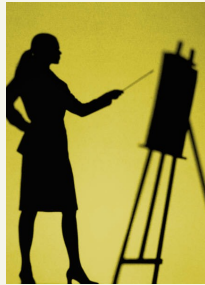

- ◆ Infant to 4 years old
- ◆ 5 to 8 years old
- ◆ 9 to 12 years old

Bring your camera to capture the moments of your children with the Easter Bunny! For children that are 4 years of age and under, only one adult per child will be allowed in the play area to help during the egg hunt.

How can you help? Plastic egg donations and your time would be a great contribution for this event. We will accept donations of medium size plastic eggs, which can be dropped off at 7011 Maple Fox. A box for these donations will be by the front door of this residence.

Finally, we sure could use a hand, that is yours to stuff eggs before this event. We plan to meet at the clubhouse on Sunday, March 17 at 3:00 p.m. We have approximately 2,000 eggs so the more volunteers the better.

ARE YOU A LEADER?

Do you have what it takes? We are looking for an energetic and positive individual to volunteer their time as a Foxwood Board member. We are always looking at different ways to make this a better place to live. Each board member helps to brainstorm ideas in maintaining the high standards our residents have come to expect.

Leadership is amongst the various qualities that each person possesses to create such a strong team. And best of all, everyone has their say on what is more important for improvements.

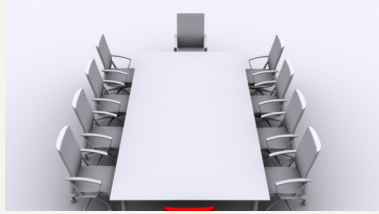

If you're interested in the commitment, please call the Foxwood phone Line at 281-540-7430. We need your help and would be glad to have you on board.

WE LOVE OUR CHILDREN

Yes, we all love our kids and this neighborhood is filled with them. Remember, the speed limit on the roads in Foxwoods are 30 miles per hour.

If you're in a hurry in the morning, plan your day out better so you don't rush through the roads. Of course we are all anxious after a long day to head home, but always think of safety first.

The message here is just to simply slow down!

FRIENDLY REMINDER

It's that time of year again to pay your homeowner maintenance dues for 2013.

We have had a very challenging year with rising cost and its effect on the economy. Remember, the funds are used to enforce deed restrictions so the area remains in good standing. We also invest in various events to bring residents together and other small projects to keep the streets looking in tip top shape.

If for any reason, you anticipate issues in paying your maintenance fees on time, please contact Susan Franz at Consolidated Management Services at (281) 296-9775 to make arrangements. Don't delay, payments were due by December 31, 2012.

CALLING ALL VOLUNTEERS

These jobs include: Board member, plumbers, electricians, and construction trade workers. Please contact the Foxwoods phone line for more information regarding volunteer work. We all work together to provide better services to our customers, YOU!

Please don't forget to obtain an approval prior to any work that includes:

- ⇒ Painting
- ⇒ Replacing roof or fence
- ⇒ Placing a storage shed in the back yard
- ⇒ Any other type of outside remodeling

Avoid possible delays to the project by planning ahead and following the requirements set forth by the Homeowners Association. Need a form? Call (281) 296-9775 or visit us on the web at www.foxwoodhoa.net

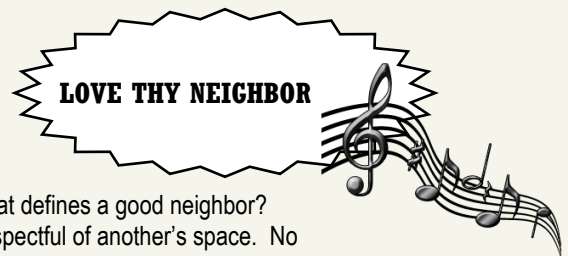

HAVE A PET?

There I was staring out the window and was watching the two cats in my yard. I would truly enjoy this view; however, I don't own a pet. What is even harder to accept is having to clean up the surprises they leave in the yard, hey I didn't sign up for this!

Lately, we have seen many pets in our yards, on the road, and everywhere they are not supposed to roam. They should be at home with their own families, safe and sound. If you have a dog, please ensure your fence is secured and when taking them for a walk, that they are on a leash.

Please be a responsible pet owner and keep your pet secure at home. We know you love your pet and want them safe, no better place then at home in your arms!

What defines a good neighbor? Respectful of another's space. No man is an island amongst themselves, we all impact each other in one way or the other.

Life should be celebrated and parties are a must for many. But please keep a few things in mind when it comes to your neighbors and the big gatherings:

- Give them a heads up when your guest will have to park in front of their house and never block driveways
- Keep the music to a reasonable level so people can enjoy their space and get their sleep
- Invite them to the event and get to know them

Getting along is the key and being considerate of each other's space is golden. These are just a few good tips in being a good neighbor! Remember, do unto others as you would have them do unto you.
