E A S T E R E V E N T

The Easter Bunny made one large hop to our annual egg bash this year and the event was a success! The big day took place on March 31 and we had many children in attendance to enjoy the egg hunt. The kids also received treat bags and took pictures with the Easter bunny.

Many thanks to all the volunteers that made this event possible. There were approximately 2000 eggs that were stuffed in preparation for the hunt. As a reminder, we do recycle the eggs if you have any to return or donate for next year's event. Simply call the Foxwood phone line for more information. We look forward to seeing you at next year's event. We hope you all had a very enjoyable Easter holiday!!

P O O L R E G I S T R A T I O N

Don't miss out on the opportunity to get your pass renewed this year! Pool registration will

be held at pool clubhouse on Saturday, April 21 from 10:00am— 4:00pm. If you have your passes from last year, please bring them to validate for 2012. If you need to register or have lost your passes, you will need to fill out a new application, and bring a single photograph for each individual over the age of two.

For children passes, please make sure it is a recent photo. Each photograph should be for the card holder only, no group pictures will be accepted. The photograph will not be returned; it will be affixed to the official pool pass for the current year. The size of photo should be equivalent to the size on your drivers license picture.

The only requirements to receive the pool pass is that you must be a Foxwood resident and have your fees paid for 2012. If you are renting or leasing the residence, the owner of that property must have their fees paid. Only members living at your residence or grandchildren are eligible. There are day passes available for guest at a minimal fee; inquire at pool when open.

If you miss the registration this month, pool applications will be available through CMS, the internet (Foxwoodhoa.net), and the pool area.

JOIN THE SWIM TEAM

We have lots of fun every year with our swim team . If you have a passion for swimming and want to join in on this activity, please take advantage of open registration.

For information on this, please go to their website at www.teamunify.com/reclnftx

SPRING COMMUNITY GARAGE SALE

*Clean out those
closets and get
ready to sell,
sell, sell!*

Clean out those closets and get ready to sell, sell, sell! Yes, it's that time again to make some money off of something you don't use but somebody else may!

The community yard sales will take place on May 5th in Foxwood. How does this work? All residents that choose to participate will hold their sale at their driveway. You set up and we do the advertising in several of the community papers far in advance. On the day of the event, feel free to place balloons, garage sale signs, or markers at your property or at the corner as long as you remove them after the sale.

Please do not place any signage or balloons on the esplanades, trees, or stop signs. There is no registration necessary, just simply be ready early as those bargain hunters storm in quite rapidly.

If you are the seller or buyer, remember, the most important thing to all this is to have fun with it and get to know your neighbors!

FOXWOOD PARK AND PLAYGROUND

There's nothing like having our very own park within walking distance from our homes, dedicated to Foxwood residents. This park is part of our investment as an advantage to living in this subdivision. Let's all do our part and keep the park area tidy; there are trash cans provided for your convenience.

Remember, there are no glass containers nor alcohol allowed on the premises. We have found broken glass in various locations of the grounds, our children play here so please let's abide by the rules for obvious safety reasons.

FOXWOOD 2012 CALENDAR OF EVENTS

Make sure to mark your calendars for these special events exclusively for Foxwood residents only. Have any neighborhood concerns? Plan to attend a HOA meeting this year and voice your feedback. Want to help with one of the upcoming events? We need volunteers for the Easter egg event on both March 25 and 31, just call the Foxwood phone line.

DATE	EVENT	TIME	LOCATION

YARD NOURISHMENT

Is your yard malnourished? There are no more excuses, this is the perfect time to get out there and start working on those yards. When you start on the yard, make sure to include all side areas such as the ones next to the curb. Sweep the clippings from the street to give your yard that enhanced and crisp appearance. Please do not sweep clippings down in the street drains, this creates flooding during rainy weather.

Since it's spring time, now we know which plants are the survivors from the rough weather last year. It's time to get rid of the dead plants that just don't look too promising and replace them with something new. Also, if you notice neglected grass, it's time to revitalize the lawn. Go to your local gardening center or check the internet for some tips on getting your grass back to green.

As a reminder, the Homeowners Association usually completes a random drive through to ensure all landscaping is presentable. Keeping yards maintained drives the value of our homes up! If a yard is being neglected for a long period of time, we make an effort to communicate this to residents.

So get out there this weekend and get a few rays, take in the nice breeze, and take the time to invest into the exterior of your home. Thank you for your efforts and wishing you luck on making your yard the best looking one in the neighborhood!
