We use the pool area to hold our swim team meetings. During our competition, the pool will be closed until the event is finished.

We hope you enjoy your summer and stay cool!

## DON'T LOSE YOUR PET

Many of us look at our pets as part of the family. Please keep your dogs on a leash, its the law. We have noticed that many dogs have been loose on the street. This can endanger not only the pet but also residents in our community.

As a reminder, each resident is allowed only three pets per household. Please contact Animal control for any further details related to these regulations.

## COMMUNITY GARAGE SALE

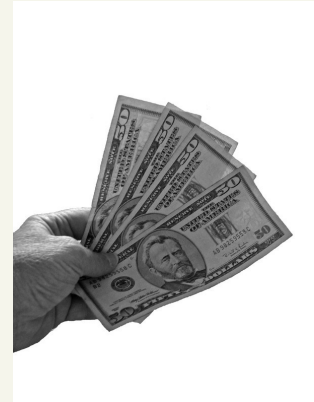

*"This event has been a great success every year, with lots of interesting things to buy and sell amongst fellow neighbors .*

The Fall Community Garage Sale will take place on May 1 This event takes place twice a year. This is when all residents take out all of their unwanted belongings to make a profit.

Ribbons will be available to all residents that are interested in participating in this exciting venture. The ribbons are not required; however, it makes it easier for the shoppers to lo-

cate the hot spots. If you have your ribbons from last year, you can reuse these as well.

Please call the Foxwood Phone Line to request a ribbon or if you need additional information regarding this event.

## READY TO SPRING CLEAN?

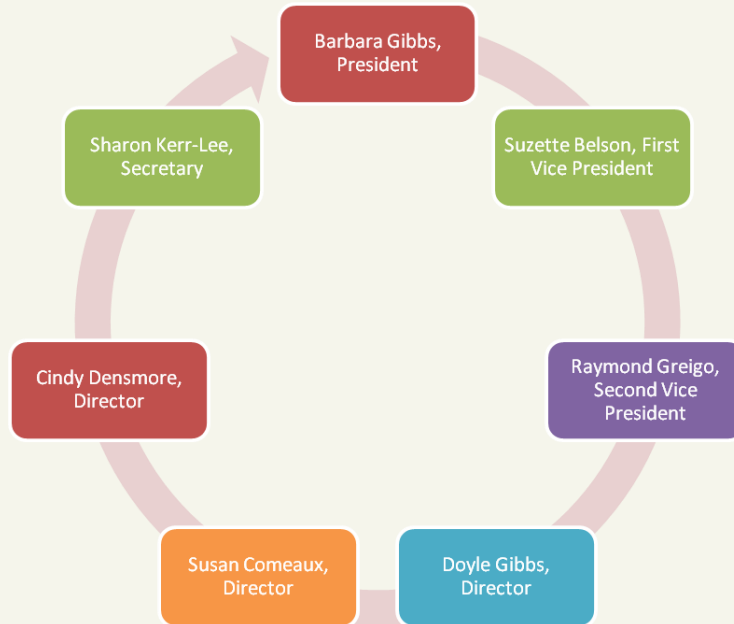

Have you taken a look at the outside of your home from the curbside lately? Looks like there are few homes in the neighborhood that are long due for some cleaning this spring. Pull out those power washers and wash off the mildew on that brick. Some homes look like they could use a new touch of paint, and other maintenance! What needs to be out of sight?

- Trash cans: Trash pick up is Tuesday & Fridays, on all other days the cans need to remain out of sight
- Jet Skis, Boats, Four Wheelers: These need to be stored in garages or a non visible area from the street.

In addition, we have noticed fences that require mending and yards that are in dire need of have major landscaping needs. Remember, all painting requires approval by ACC; please complete the proper paperwork. Forms can be obtained from our website or by contacting Consolidated Management.
