2011 HOLIDAY HIGHLIGHTS!

*Laughter is the best remedy
for a broken heart!*
- Unknown

It's never too late to provide last year's holiday highlights! We had approximately 45 children come visit with Santa this year and each child received a take home piggy bank . Special thanks to Ken and Chloe Jones of Iowa for the donations. They are relatives of our dear long-time resident, Mary Myer, who recently passed away.

Our traditional toy drive was a success, these gifts were donated to a Women and Children's shelter in Humble. Special thanks to the constable who delivered these gifts personally.

We take a pride in the festive look throughout the neighborhood during the holiday. Thanks to all residents for participating in the Annual Christmas Lighting Contest. Congratulations to the 2011 winners :

- 1st - 20010 Foxhaven \$100 prize
- 2nd 7019 Foxport \$ 75 prize
- 3rd 20714 Fox Trail \$ 50 prize

WHO LET THE DOGS OUT?

There are too many lost pets and the worst place for them is on the street. Please make sure to keep your gates secure so they stay out of harms way. As a reminder, there is a leash law in Harris County which permits Animal Control to pick up animals that are roaming the streets. Owners walking their pets should keep them on a leash, it's the law.

We offer free messages on the sign board for lost or found pets based on availability. Please call the phone line, 281-540-7430 and leave a message with your call back information.

Please join us this year at the Annual Easter egg hunt on March 31 at the Foxwood playground. The egg hunt is coordinated by age groups: 0-4, 5-8, and 9-12; bring a basket for your child. The first round will begin at 9:00am so make sure to get there on time.

Remember, the Easter Bunny will be there so have your cameras ready for photos. Goody bags with lots of treats will be distributed to all children after the egg hunt.

Will you volunteer? We need help with stuffing eggs at least a week prior to the event. We also need help to hide the eggs on the morning of the egg hunt. Donations? Plastic eggs or candy welcomed, call the phone line at 281-540-7430 or drop off at 7011 Maple Fox.

Looking good, we are at approximately 90% collected for 2011. Having difficulty making a payment? We are accepting payment plans, please contact Susan Franz at CMS 281-296-9775.

Where do these funds go? That's a good question, and here is a whole outline of some of the things that these funds are invested into in making Foxwood a nice place to settle into.

Investing into a nicer neighborhood that just gets better every passing year. A place we all call home!

Maintenance of grounds/esplanades, repairs and/or improvements, enforcing deed restrictions and collection of accounts.

Utility Costs :		2010	2011

Weather or not wanting to do it? Yes, we are referring to that area outside your house that has weeds uprooting everywhere. We all may agree that Mother Nature has done an interesting number on our yards this year. With the drought and inconsistent weather, there's no denying it's been a challenge to uphold that curbside appearance. As much work as it may take to pull out that lawnmower, our yards are in dire need of a cut.

Who wants to hassle with it? It can be such an inconvenience at times with so much to do, but once you get it done, you'll be glad for it. Take pride in your home and neighborhood, do your part today.

The Homeowners Association usually completes a random drive through to ensure all landscaping is presentable. Keeping yards maintained drives the value of our homes up! If a yard is being neglected for a long period of time, we make an effort to communicate this to residents.

On a separate note, we are in the process of cleaning up the template for deed restrictions so a cleaner version is available to our homeowners. If you are interested in getting a new copy, please contact Consolidated Management at 281-296-9775
