Just a Couple of Reminders

What a busy time of year! We just don't have enough time to think of everything so here are a couple of reminders that will help us observe our **Deed Restrictions** ...

- **Trash cans** are to be stored out of sight in such a way that they cannot be seen from the street.
- **Porches and balconies** should not be used for storage.
- **Trees and shrubs** are to be trimmed so that they are not an obstruction to sidewalks or streets.
- **Newspapers and telephone directories** are to be collected when they are delivered or thrown in the trash.
- **Bar-B-Que pits** are to be stored out of sight and not on driveways or in front yards.

Please contact CMS by phone or e-mail if you see any issues in the neighborhood or call the Foxwood Phone Line: 281-540-7430.
