Keeping things in perspective for the Foxwood Subdivision, Sections 1, 2, 3, & 4 :: Winter — Jan/Feb/Mar 2019

Visit with Santa a Huge Success!

Many gifts collected to give to children for Christmas

Lots of Foxwood kids and their families came to visit with Santa at our annual event.

They brought some great toys that were given to children at a local shelter. Each child received a treat bag of toys and candy as well as their choice of a cookie.

Of course, the best part was visiting with Santa

and the many photos that were taken.

We appreciate our Santa for the great job he did with the kids and their families and our volunteers and board members that work so hard every year to put together the gift bags, refreshments and decorations that make this event so special!

to all the Winners and Honorable Mentions of our Annual Lighting Contest! There were so many beautiful & creative designs it was difficult for our judges to pick just a few!

Thanks to everyone who made Foxwood sparkle!
It is time to remove Holiday Decorations until next year.
