Monthly Board Meetings are Open to Everyone

The Foxwood Home Owner's Association holds meetings every month in our clubhouse. It meets on **the second Thursday of each month at 7:00 PM.**

Attendees include members of the Board of Directors, Eileen Ferris, our property manager with Consolidated Management Service, and one of our constables is usually there to give a report. A handout is always available showing expenditures and financial commitments and an open discussion of upcoming events and plans occurs before the Board meets in executive session.

Residents are invited to come and participate with their questions and comments.
