Monthly Board Meetings: Open to All

The Foxwood Home Owner’s Association holds meetings every month in our clubhouse. It meets on **the second Thursday of each month at 7:00 PM.**

HOA Board members will be there as well as our property manager, Eileen Ferris. A Financial Statement is handed out an open discussion of upcoming events and plans occurs before the Board meets in executive session.

Residents are invited to come and participate with their questions and comments.

Frequently Asked Questions From the Foxwood Phone Line

What People Want to Know in Foxwood

- **How do I get a tennis court key?** Call CMS at 281-296-9775
- **Our street light is out. Can you fix it for me?** Each resident should report a streetlight that is malfunctioning. First, get the 6-digit number off the light pole. Then, call Centerpoint Energy at 713-207-2222. They will ask for the address closest to the light that is broken. It will take 2-4 days for them to fix it.
- **How do I get a pool pass?** If you have pool passes from the last year, save them so they can be validated for the current swim year. If you need original passes, you’ll need to provide small pictures when you send in the application. Print a copy of the pool pass application from the Foxwood website (www.foxwoodhoa.net). Follow the instructions on the form. If you have questions, call Eileen Ferris, our property manager, at CMS (281-296-9775).
- **How can I rent the sign for my business?** Unfortunately, our sign is not available for commercial or special interest advertising. However, if you have a family event or celebration to post, call the Foxwood Phone Line to begin the rental process. Birthdays, Anniversaries, Congratulations, Graduations, New Baby, Welcome Home, Yard Sale or other personal messages are eligible. Fees are \$5/first day and \$3/2nd and 3rd days.
